Previewing FVA Courses in Odysseyware

1. Go to http://www.franklinvirtualacademy.com & click "log in".

2. Log in with the username **preview** (just the word, no capital letters or any other punctuation of any type) & password **preview** (just the word, no capital letters or any other punctuation of any type).
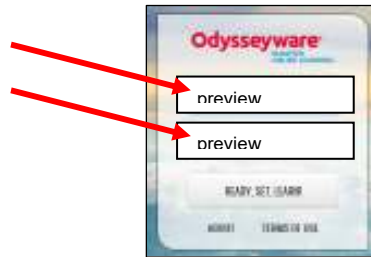

3. Click on the COURSES tab.

4. Click on LEARN to see several sample courses (*Note that you will be previewing partial courses with 1 or 2 units where tests have been removed for most courses).
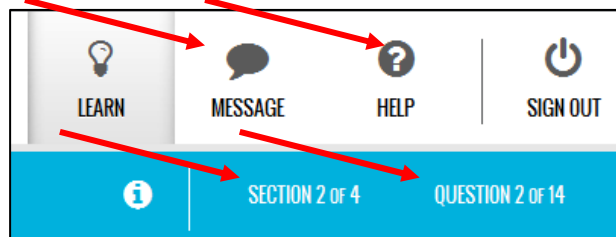

5. Notice each course title is highlighted in gray. Feel free to click on the colored activity icons & complete any activities you'd like.

    L = lesson
    P = project
    Q = quiz

6. When you're ready to check out another course, click LEARN (as pictured in Step #4 above) & select a different course title.

7. Feel free to check out other areas of Odysseyware.

    Feel free to contact us at 717.597.3226 x10550 with any questions you have.
